

TIME

to be great at what you do...

iso specialists

ISO 9001 Quality Management

From better to best
ISO 9001 Quality Management

iso specialists

“to be great at what we do”

attract new customers
& ensure existing
customers are satisfied

iso specialists

HOW WE WORK

apply the 8 fundamental principles of quality management to your organisation

iso specialists

ISO 9001 Quality Management Principles

→ Customer focus

→ Systems approach to management

→ Continual improvement

→ Factual approach to decision making

→ Process approach

→ Leadership

→ Involvement of people

→ Mutually beneficial supplier relationships

time is at a premium,
you're busy running the
company, servicing your
customers needs.....
